

Winter 1

2016

# Snow flakes

- Cutting with scissors can be very tricky.
- Everyone is going to practise using scissors.
- We going to make lots of snowflakes.
- You will need to fold the paper and then think about shapes!
- Can cut shapes into the paper?
- What will happen when you un fold the paper?
- When we have made enough snowflakes we will combine them to make one giant one.

# Winter scenes

You are going to make a picture called wax resist.

It will be a cold winter picture.

What things make you think of the cold?

You will need to draw something you see in winter then paint over it With a special dye  
What will happen to your picture?

# Bouncing Snowmen

- Practising with scissors can be fun.
- You are going to make a snowman but it might look like a snowflake snowman!
- Can you draw around objects carefully with out them slipping?
- Can you cut carefully?
- You will need to find materials to decorate your snowman with.
