

Summer 4

2016

Quacking ducks

- You will need a plastic cup, some string and a paper towel.
- When you have attached your string to the cup. You need to wet your paper towel.
- Then drag the paper towel down the string.
- What happens and why?

Blow paint Sea monsters

- Choose two colours of paint.
- Can you use a straw to blow the paint?
- When the paint is dry turn your splodge in to a monster!
- What will you need to do that?

Sparkly shapes

- In your group every one is going to use the big shapes to make a **BIG** pattern.
- Which shapes will you need?
- Will you need all the shapes?
- What would happen if you used all the same shapes
- Try using just the triangles.
- Can you fit all the triangles together.
