

Personal, Social and Emotional Development

Work will be linked strongly to the School Values for the term and will revisit the SEAL aspects of keeping safe and making relationships. Our text for the term Ladybug Girl will also support many areas of PSE. Children will also be asked to contribute to the School Council.

Class One

Summer Term Guide

Our project this term is Ladybugs and Living things

Communication and Language

The children will be asked to prepare and give a short presentation on a Thursday this term during Show and Tell. The talk is to be about an animal of their choice. They may bring in props to help them. Show and Tell will continue as normal on a Thursday.

Understanding of the World

We will be learning about Living things around us this term. We will be going on minibeast hunts and pond dipping in the school grounds. We will observe changes to living things like tadpoles and caterpillars in the classroom. The children will also look at plants and how they grow.

Mathematics

Using the Abacus Maths Scheme the children will secure their knowledge of number: recognising them, counting and recording them. We will be using a range of resources to carry out adding, taking away and sharing. We will also look at the number patterns in the 2 and 10 times tables.

Physical Development

Children will continue to consolidate their correct pencil grip and focus on correct letter and number formation. Children will also be using a range of tools in Art and DT to create models. PE will take place twice a week – Monday and Friday. Friday's lesson will be with Mr Ireland covering athletics in preparation for sports day.

Literacy

We will be using 'Read Write Inc' to develop the children's Phonic knowledge. We will now work towards phase 4 sounds, with some revision of the phase 3 sounds. Children will be encouraged to mark make and write stories using our text 'Ladybug Girl'. We would also like the children to continue learn the reception high frequency words, to support with reading.

Expressive Arts and Design

The class will have music with Mrs Richardson every Monday, sing songs and composing music. They will also do maypole dancing. Children will be making sculptures from different materials, clay and junk.

Class One

Quick Reminders

PE Kit

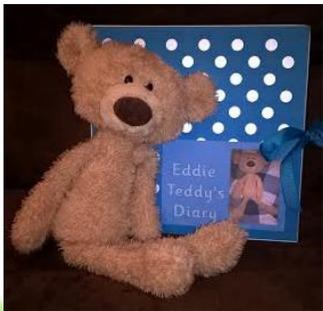

Please ensure PE Kit is in School at all times.

Trainers, tracksuit bottoms and top are needed on Friday morning for PE with Mr. Ireland.

Bear Diary

Thank you for the amazing response to Eddie. He will be coming to visit you again through the summer term bringing his diary with him to record his adventures. The children have really enjoyed sharing what they have done.

Wednesday Wellies and warm weather warning

All Children need to bring a pair of wellies into school on a Wednesday even as the weather improves it is the best footwear.

As the weather gets hopefully warmer children will need caps and sun lotion applied before they come to school.

Drinks and Snacks

Fruit and milk/water are shared mid morning within class.

All children need to bring **one healthy** snack for playtime.

Children will need a **water bottle** as it gets warmer in school.

Cake Sale (organised by the Friends) is the 1st Friday of every month and is 50p.

Show and Tell Presentation!

The children will be asked to give one short presentation this term on an animal of their choice. They can bring pictures in or books to help them when they talk. They will be done on a Thursday and each child will be given a date to do it on. These will be out shortly.
