

Class One

Personal, Social and Emotional Development

We will be using the SEAL scheme to develop the children's PSE development. This will cover a range of group and individual activities to help children explore feelings and learn protective behaviours.

Communication and Language

We will have the opportunity to listen to a range of stories linked to our topic. We will focus on Harry on his Bucket of Dinosaurs, as well as factual texts. We will sequence events and retell the stories through play. Children will be encouraged to have talk buddies in circle time to share thoughts and ideas.

Understanding of the World

We will find out about the Dinosaurs, looking at the differences and similarities between them. There will be small world and role play areas for children to become Palaeontologists. We will use the remote control vehicles to develop programming skills and use the computer to find about Dinosaurs.

Autumn Term Guide

Our project this term is Dinosaurs

Mathematics

Using the Abacus Maths Scheme we will secure their knowledge of number: recognising numbers, counting and finding one more or less. Using a range of Dinosaurs we will measure weights, lengths and capacity. We will investigate sorting, ordering and repeating patterns using Dinosaurs.

Physical Development

PE will take place on a Monday, Wednesday and Friday. Wednesday's lesson will be with Mr Ireland. We will develop balance, coordination and ball skills. Gymnastics and dance will also be covered on the other days. We will be encouraged to use a range of mark making tools to develop correct grip and controlled movement.

Literacy

We will be using 'Read Write Inc' to develop our Phonic knowledge. We will go on to the reading scheme after the half term, when we have secured a wider range of phonics. We will also be encouraged to make marks, write labels and develop our emergent writing. This will be supported by the use of the books about Dinosaurs.

Expressive Arts and Design

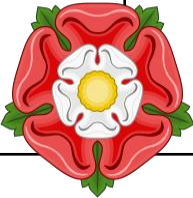

The class will have music with Mrs Richardson every Thursday, using our topic to inspire songs and sounds. Children will also use their imagination and a range of art media to produce artwork and models linked to Dinosaurs. They will also be exploring mixing colours.

Class One Proposed Timetable 2017/2018

	8.45am – 10.15am	10.15am – 10.30am	10.30am – 10.45am	10.45am – 12.00pm	12.00pm – 1.15pm	1.15pm – 3.15pm	
Monday LJ & CMc	Phonics 9.15 – 9.45 Netbooks – IT	Worship	Playtime	Maths Focus	Lunch	Class 1 and 2 Circle time/ School Council	PE in Hall
	Carousel of Activities			Carousel of Activities			
Tuesday LJ & CMc	Phonics 9.15 – 9.45 Netbooks – IT			Topic focus			Cooking
	Carousel of Activities			Carousel of Activities			Carousel of Activities
Wednesday CMc & TB	9.15am – 10.15am Reception & Nursery PE with DI			Physical Phonics			Wellie Walk/Gardening
Thursday LJ & TB	9.00am – 9.45am Music	Phonics	10.30am – 10.45am KS1 Playtime	10.45am – 11.15am French	IT -Control	Art/Design Technology	2.45pm – 3.15pm
						Carousel of Activities	
Friday LJ & TB	Phonics 9.15 – 9.45	Circle time – RE focus	10.30am – 10.45am Playtime	PE in Hall		Grid Learning	Worship
