

Class 2 - Grid learning

Spring 2018

Art and Design

Making an ocean in an egg box.

- Firstly, you will need to paint the inside of your egg box blue.
- Whilst this dries you can make all the things to go in your ocean.
- Think about this kind of habitat. What kinds of plants and creatures are found in the ocean.

Computing

- Using the ipads create simple coding programs using Scratch moving the cat and creating a background.

Drama

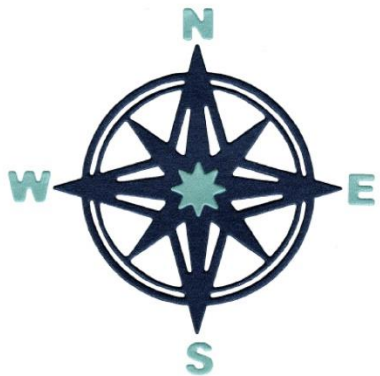

Drama focuses on growing up, looking at what you want to do when you are older with hot seating.

- Choose an outfit from the dressing up rail that represents what you would like to do when you are older.
- Tell you group why you have chosen this and act out a short scene of what you think this may involve.
 - Join together and create a short play.

Geography

- Maps/atlases
- To name and locate the world's seven continents and five oceans.
