

# French Autumn Term 2017

Madame Nicola

## Class 1

Children in Early Years will enjoy learning French through a variety of songs, rhymes, games and flashcard activities. In Class 1 some children will be learning a language for the first time whilst others will be increasing their fluency and confidence by revising what they have learnt so far. This first half term will focus on basic greetings and the numbers 1-10. After half term, children will start a new fun topic about family.

### Basic greetings and numbers

**They will be able to...**

- say hello, goodbye, yes, no, please and thank you
- answer the register with correct form of address (madame/monsieur)
- ask and answer what your name is
- ask people how they are and say how they are feeling
- say the numbers 1-10

### Ma famille

**They will be able to...**

- say who is in their family
- give the names of family members
- learn about family life in France
- sing a French version of 'The Farmer's in his den'
- do a rap about a family in French

## Class 2

Children in Class 2 will revise basic greetings and numbers and then start a fun topic about animals and pets using a variety of games, songs and activities.

### Mon animal

**They will be able to...**

- revise basic greetings and numbers
- read, say and write the names of some animals
- ask and say if they have a pet or not
- sing some songs about animals
- describe their own pet or someone else's
- play a board game about animals
- conduct a survey about pets and present the results
- act out a story about animals

## French Autumn Term 2017

Madame Nicola

### Class 3

This Term, Class 3 will revise basic greetings and numbers and then start a fun topic about Games using a variety of songs, activities and games (of course!).

#### On joue?

**They will be able to...**

- understand what games French children play
- say which games they have or don't have
- say which games they like or don't like
- use useful phrases for playing games
- name some colours and shapes
- make and play a game in French

### Class 4

This Term, children in class 4 will be starting a new unit of work: Au College (School). Lessons will incorporate a variety of fun and creative activities to keep children engaged and focus on the four main language learning skills of Speaking, Listening, reading and Writing.

#### A l'école

**They will be able to...**

- name a number of pencilcase items
- work in groups to video a funny classroom scene sketch
- tell the time and say what time it is
- revise the days of the week and dates
- read and understand information about a French girl and boy and answer questions
- write their own school timetables and read others
- talk about their school subjects and express simple opinions
- act out a sketch loosely inspired by a traditional fairytale
- find out about school in France
