

Hampton Lucy C of E Primary School and Nursery
Pupil Premium Grant 2018/19

The Pupil Premium is an initiative targeting pupils from disadvantaged backgrounds to ensure that they benefit from the same opportunities as pupils from less deprived families. The general aims of the premium are:

- to address the current underlying inequalities
- to enable pupils from disadvantaged backgrounds to have equal opportunities to higher education
- to achieve a measurable advance in the attainment of disadvantaged pupils
- to reduce the attainment gap between pupils from disadvantaged backgrounds and their Peers

Currently pupils who qualify for free school meals (FSM) or who have received FSM in the last six years are eligible for the pupil premium. Schools are responsible for the allocation of the funding to specific projects and interventions. Our total allocation for the financial year 2018/2019 is £16,820. (The 2017/18 financial year was £15,680.)

Vision

We strongly believe in giving children opportunities, activities and experiences that they would not otherwise receive. Hampton Lucy C of E Primary School and Nursery's purpose is to create a stimulating, secure and caring environment that will provide a broad and balanced education of the highest quality for all. Therefore, it is our responsibility to address the effects of inequality and provide support to those who are disadvantaged. The targeted and strategic use of Pupil Premium will support us in achieving our vision.

Principles

- We ensure that teaching and learning opportunities meet the needs of all of the pupils
- We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed
- We believe that careful monitoring and tracking allows us to identify and address slow progress
- We recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We will allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged. A significant proportion of children receiving interventions or projects funded by the Pupil Premium will be made up of learners eligible for FSM.
- Pupil Premium funding will be allocated to every child who is eligible and its aim will be to raise aspiration and expectation. We recognise that not all Pupil Premium children have low attainment but we will endeavour to enrich their experiences and challenge their perceptions of themselves and their potential.

The types of provision currently funded by the Pupil Premium include:

Extra-Curricular Sports Clubs

Reporting and Evaluation

It will be the responsibility of the Headteacher, or a delegated member of staff, to report to the Governing Body on:

- the progress made towards narrowing the gap, by year group, for socially disadvantaged pupils
- an outline of the provision that was made since the last meeting
- an evaluation of the impact, in terms of the progress made by the pupils in maths and English receiving a particular provision
- An evaluation of any well-being initiatives using recognised well-being measures
- Any reports from outside agencies or providers where Pupil Premium has been used e.g. counselling, music tuition etc.

It will be the responsibility of the Chair of Governors to ensure that this information is shared with the full governing body. The Governors of the school will ensure that there is an annual statement to parents on how the Pupil Premium funding has been used to address the issue of 'narrowing the gap', for socially disadvantaged pupils. This information will be published on the school's website.
