

Hampton Lucy C of E Primary School and Nursery

Sports Grant 2017/2018

By striving to improve and offer the best opportunities to our pupils in PE and Sport, we will inspire a generation and who knows we may even produce the next global sporting superstar!

At each Key Stage pupils will be given plenty of opportunity to develop, practice and evaluate performance in Physical Education. By offering a diverse curriculum we aim to inspire pupils to lead a healthy and active lifestyle whilst enjoying the benefits of regular physical activity. We also aim to challenge pupils to exceed standards to support pupils to reach their maximum potential. Evidence of this can be seen in the responses from parents/carers in the recent Parent Self Evaluation Survey.

The Physical Education Topic Plan has been specially designed for each Key Stage and Class, which will support the aims we set and adhere to National Curriculum Guidelines.

As part of its Olympic legacy plan, the Government has provided finance to schools which is ring fenced for the provision of sport and physical education. For the 2017/2018 financial year our allocation is £13,298. This funding will be used for the provision of professional coaches and resources to support the delivery of the PE and Sport Curriculum.
