

Personal, Social and Emotional Development

We will continue to use the SEAL scheme to support children's learning. Work linked to the school values, friendships and emotions will be explored through stories and discussion. Children will also be asked to contribute to the School Council.

Communication and Language

The children will have an opportunity to listen to a range of texts about super heroes. We will look at comics and cartoons looking at telling stories using speech. Children will create their own narratives through role play and dressing up.

Understanding of the World

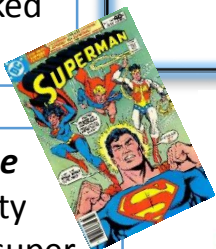

We will learn about our bodies and the amazing things it can do. We will find out why we need a healthy diet and cook some healthy foods. We will find out why exercise is important. Children will also find out some super facts about the world we live in.

Class One

Spring Term Guide

Our project this term is Super Heroes

Mathematics

Using the Abacus Maths Scheme the children will secure their knowledge of number: recognising numbers, counting and finding one more or less. We will also use the Numicon to develop adding and taking away. Children will be encouraged to problem solve using number and measure.

Physical Development

Children will consolidate their correct pencil grip and focus on correct formation of all letters and numbers this term. Children will also be using a range of tools in Art and DT to create. PE will take place twice a week – Monday and Friday. Friday's lesson will be with Mr Ireland covering dribbling and dodging.

Literacy

We will be using 'Read Write Inc' to develop the children's Phonic knowledge. We will now work towards phase 3 sounds, with some revision of the phase 2 sounds. Children will be encouraged to mark make and write in a variety of ways using our project. We would also like the children to learn the reception high frequency words, to support with reading. The lists will be sent home for further practise.

Expressive Arts and Design

The class will have music with Mrs Richardson every Monday, sing songs to support our projects. Children will be introduced to a range of artists famous for portraits and sculptures. We will create Super Heroes.

Class One

Quick Reminders

PE Kit

Please ensure PE Kit is in School at all times. Trainers, tracksuit bottoms and top are needed on Friday morning for PE with Mr. Ireland.

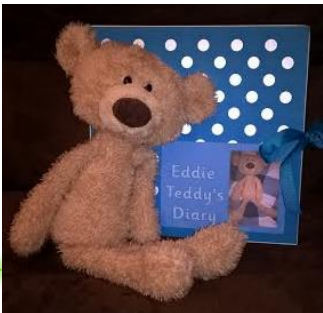

Drinks and Snacks

Fruit and milk/water are shared mid morning within class. All children need to bring **one healthy** snack for playtime. Water is always available in class. **Cake Sale** (organised by the Friends) is the 1st Friday of every month and is 50p.

Bear Diary

Every weekend our new class Bear, Eddie will go home with one of the children. He will bring his diary with him in which the child will record Eddie's adventures. A short piece of writing about Eddie with a drawing or photo on a single page will be sufficient.

Wrap up warm and Wellies

All Children need to bring a pair of wellies into school on a Wednesday. With muddy conditions everywhere we strongly suggest wellies are in school all week to keep school shoes as clean as possible.

As the weather gets colder children will need warm, coats, scarves and gloves.

WOW Board!

Any thing the children have done at home and over the weekend can be brought into school and be placed on the WOW board in the cloakroom.

Children can also be share their WOW on a Thursday when we do show and tell. The children are able to talk about their special experience or item and answer questions.
