

A serene sunset scene over a vast ocean. The sun is a bright, glowing orb in the center of the sky, casting a shimmering path of light across the water's surface. The sky transitions from a deep orange near the horizon to a pale, hazy blue at the top. Two birds are silhouetted against the sky, one in the upper left and one in the upper center. The foreground shows the dark, silhouetted outlines of waves breaking on a rocky shore.

TRUST

I will be yours, you will be mine, together in eternity

No more tears of pain in our eyes, no more fear or shame,

We will worship, we will worship You forever.

A photograph of a sunset over the ocean. The sun is a bright yellow orb in the center of the sky, casting a shimmering path of light across the dark blue water. The sky transitions from a pale yellow near the horizon to a deep purple at the top. Two birds are silhouetted against the sky in the upper left. Where do you think we are?

A bright sun is positioned in the upper center of the frame, shining through a blue sky filled with scattered white clouds. The sun's rays are visible, creating a starburst effect. The clouds vary in size and density, with some appearing as large, fluffy masses and others as smaller, wispy patches. The overall scene is bright and clear, suggesting a sunny day.

staircase to Heaven
unless it be through
