

Hampton Lucy C of E School and Nursery

A unique learning experience

Head Teacher: Mrs Margaret Lunnon B.Phil Ed.(Hons), NPQH

Date: 19 December 2017
Autumn 2

Newsletter

Dear Parents and Carers,

The term ends with the children looking forward to their Christmas holiday and the excitement that is to come. I would like to thank you for your continued support for the staff as they teach your children and I want to thank them all for their dedication this term to Hampton Lucy C of E School and Nursery.

Thank you to The Friends for their work this term and for the successful Christmas Fair and for all their support for the school. The financial climate is a challenge for all schools and the funds raised through the events really do support your children.

Mrs. Lynda Smith will be taking three weeks unpaid leave in January to visit her son in Australia and Mrs. Nicola Chambers will cover Class 4. We wish Lynda a fabulous time down under and look forward to her sharing her wonderful adventure with us all upon her return.

All of us at Hampton Lucy CE Primary School and Nursery wish you and your families the love, peace and happiness of this special time of year and we look forward to the New Year with you and your children.

Yours sincerely

M. Lunnon

Margaret Lunnon
Headteacher

We are on the web!

www.hamptonlucyschool.org.uk

We are situated next to the beautiful Victorian church of Saint Peter ad Vincula in the picturesque village of Hampton Lucy. It is a Church of England controlled school. We aim to maintain a happy environment, where we build on excellent relationships between children, staff, parents and carers, as well as our local community.

We aim to establish an environment within the school that encourages our children to be confident, articulate and happy and one which leads each child to fulfil his or her own potential.

We seek to inspire every pupil to be a highly motivated, independent learner, who actively participates in a balanced, relevant and well-matched curriculum, which affords equal opportunities to all. We strive for high standards of self-discipline at all times.

"They come this way only once so we should litter their pathways with quality experiences"

This school safeguards children
