Autumn 2016

Welcome Back

Firstly may I say welcome back to Early Birds and After School Club after the summer break, I hope you all had a relaxing summer. We have settled back into Early Birds and After School well and have welcomed some new faces.

Due to the building work our cupboard has had to move and we have just about finished transporting boxes from the shed into our new home (the science cupboard), next to the kitchen.

The Team

The Early Birds staff is as last year with Mrs Karen Godfrey and Mrs Sue Appleyard at each session. For After School Mrs Godfrey will be assisted by Mrs Carla Branco Monday to Thursday with Mrs Appleyard on a Friday.

If anyone has an interest in joining the team, please contact the school office.

*Many Thanks the Early
Birds and After School
Club Team*

Get Active Vouchers

The Early Birds and After School Club were asked if they would like to choose from the Sainsbury's Get Active catalogue and our goodies have arrived. The children have had great fun making dens and playing in the new wigwam, the Katcha Kups and ankle skipping may require more practise!

And Finally

The Early Birds and After School Club is your club. Please let any member of staff know if there is anything you or your child would like to do and we will try to accommodate your ideas.
