Spring 1

In an ever changing world, the one thing that remains constant is the enthusiasm of children returning to school. The excitement of Christmas remains as they share their joys with their friends. As a school we are always appreciative of the many cards and gifts that you give us for doing the work we love to do in this school. Thank you for your generosity, the chocolates and biscuits has certainly fuelled the start of the term.

The term has seen the excitement of hot school meals cooked in our new kitchen. It has been a great success so far with the children enjoying the fabulous food on offer with nearly 70 children taking up this provision. We have also seen the start of our wrap around nursery provision 8 till 5.15 under the leadership of Mrs McKenzie.

We welcome back to Class 2 Mrs Caroline Perkins from her maternity leave. Caroline will be teaching Class 2 on a Monday and Tuesday, Mrs Corrigan teaches on Wednesday, Thursday and Friday.

Madame Claire Clarke will be leaving us at the end of this half term to relocate to Nottingham with her husband. Claire has been with us since September 2006 and we will miss her French lessons and French days with food experiences, songs and games. We wish her all the very best in the next chapter of her life in Nottingham.

It is our aim to keep French on the curriculum at school so please contact the office if you can offer us any support.

We are on the web!

[www.hamptonlucyschool.org.uk](http://www.hamptonlucyschool.org.uk)

We are situated next to the beautiful Victorian church of Saint Peter ad Vincula in the picturesque village of Hampton Lucy. It is a Church of England controlled school. We aim to maintain a happy environment, where we build on excellent relationships between children, staff, parents and carers, as well as our local community.

We aim to establish an environment within the school that encourages our children to be confident, articulate and happy and one which leads each child to fulfil his or her own potential.

We seek to inspire every pupil to be a highly motivated, independent learner, who actively participates in a balanced, relevant and well-matched curriculum, which affords equal opportunities to all. We strive for high standards of self-discipline at all times.

*"They come this way only once so we should litter  
their pathways with quality experiences"*
